NOURISH

Taheebo is a potent herb extracted from the inner bark of the Lapacho Heartwood tree (also known as Pau D' Arco). Being a phyto-nutrient powerhouse, Taheebo has now become a staple across various cultures for those seeking a holistic approach to better health.

Taheebo delivers 720 mg of lapacho per serving in a 100% liquid extract, ideal for mixing with other liquids.

Taheebo has the capacity to revitalize the body's natural defenses to assist and protect against infections. It also nourishes the core body systems for total body health.

Suggested Use: Shake well before using. Take 1 dropper full in both the morning and evening. For optimal absorption, take directly under the tongue and hold for 1-2 minutes.

One dropper full is one full squeeze of the rubber bulb.

Servings per Container: 60
