|                          |                |               |               |
|--------------------------|----------------|---------------|---------------|
| <b>WEIGHT MANAGEMENT</b> | <b>SUPPORT</b> | <b>ENERGY</b> | <b>HEALTH</b> |
|--------------------------|----------------|---------------|---------------|

BENew™ Metabolism Booster uses a unique blend of cutting-edge ingredients to assist in boosting your body's energy and metabolism throughout the day. As your metabolism works for you internally, the extra energy will assist you in reaching your full fitness potential.

The key active ingredients include potent extracts from green coffee bean, green tea, African mango, white kidney bean, and brown algae (Fucoxanthin), plus raspberry ketones and a proprietary research weight loss blend called Meratrim®.

These ingredients are at levels shown in research to assist weight management.

- NO ARTIFICIAL COLOURING
- NO ARTIFICIAL FLAVOURING
- NO ARTIFICIAL SWEETENERS
- NO ADDED SUGARS
